The Right to Repair Bill

Last month we asked for help with Letters of Support for the Oregon State Bill SB 959 to deter criminals and maintain the high integrity of citizen's home and commercial alarm equipment.

OREGON BURGLAR & FIRE ALARM ASSOCIATION

NEEDS YOUR HELP

FROM MEMBERS AND INDUSTRY LEADERS

We are asking for you to help in writing Letters of Support of SB 959

This legislation is critical for protecting security and life safety devices and their systems.

Oregon.gov link to SB959
https://bills.oregonlegislature.gov/bills_detail.aspx?bill=959

Enclosed below is a letter from the Vice President of Advocacy and Public Affairs for the ESA

David Berman with Alarm.com Welcome

Welcome

David Berman

Account Executive/Security Northwest & Western Customers

Making Your Opinion Count

As the only professional organization in the state dedicated to furthering the interest of business in our industry, the OBFAA represents YOU and YOUR opinion to consumers, lawmakers, and the public at large.

Attend the Board of Directors meeting to learn more about what's involved! We currently have vacant seats, so if you're interested in serving, we encourage you to inquire. This opportunity is open to both current members and future members who want to get involved and help shape the direction of the association. Membership is required to serve on the board and have voting privileges. The Next Board Meeting is May 27, 2025 at 11:30am PST. If you are interested please email Ericka Berman at eberman.obfaa@gmail.com

Security Magazine

April 2025

This month, *Security* magazine highlights ensure safety in the transportation industry. Throughout this month, check out stories about shifts in cybersecurity, how thermal-based AI enhances perimeter security and more!
